May I encourage each each of you to live each day to its fullest, always remembering to do the most loving thing in every situation involving others and to avoid postponing activities that make life more pleasant unless they may lead to unpleasantries for you or another person. In so living, surely you will find success, fulfillment, and contentment throughout your life.

Norris G. Gorrell Assistant Principal

### THE MAIN MEN

SENIORS, let me challenge you that whatever road you travel after leaving B.C.H.S., apply yourself in such a manner that when you leave, you will leave the place better than when you found it, and people will be sorry to see you go.

To quote from Steve Welsberg's song "It's Up To You," You can do whatever you want to do wherever you want to go, it's up to you.
